- 1.2 An organization certified by Intertek to an ANAB-accredited management systems standard shall use only approved accreditation symbols provided by Intertek.
 - 2.1 The ANAB accreditation symbol shall be reproduced on a background that will not impede readability:
 - In black or in blue (PMS 286 or equivalent) and red (PMS 485 or equivalent) on a white or light-colored background).
 - In a size that makes all features of the symbol clearly distinguishable and without distortion of its dimensions.
 - 2.2 The size of the ANAB accreditation symbol must not exceed the size of Intertek's symbol.
 - 2.3 The organization may not place the ANAB accreditation symbol in isolation from Intertek's symbol.
 - 3.1 ANAB's accreditation symbol shall not be used on a product or packaging or in such a way as to suggest that Intertek and/or ANAB have certified or approved any product, process, statement, claim or service of a certified organization, or in any other misleading manner.
 - 3.2 Upon withdrawal of the ANAB-accredited certification the organization shall immediately discontinue use of ANAB's accreditation symbol, ANAB's name, and claims of accredited certification in any medium, including letterhead, electronic media, etc., and return or destroy any ANAB-accredited certification documents (e.g., certificates) referring to ANAB accreditation as required by Intertek or ANAB.
